

Frequently asked questions about online ordering

1) Where do I buy online tickets?

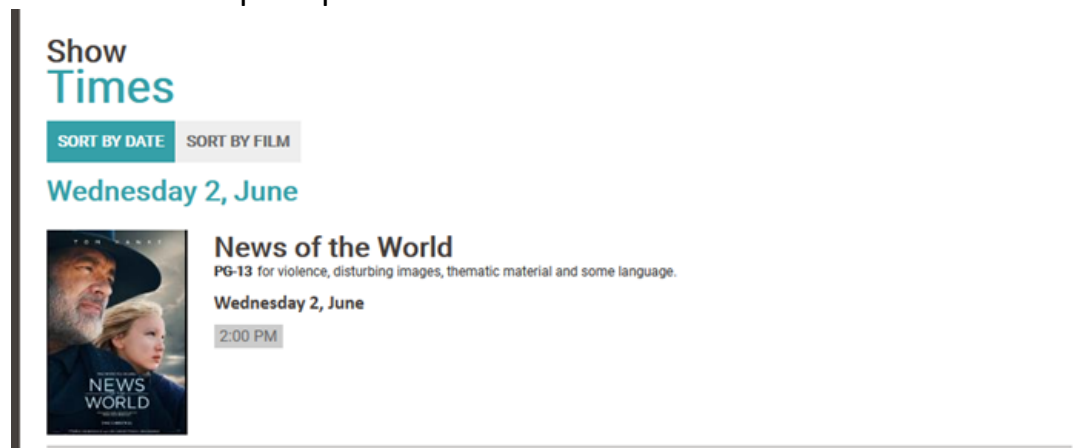

Go to www.arenatheater.org, look for the menu bar on top of the page that says HOME LIVE CINEMA TELECASTS, and so on. These program titles are clickable. For movie tickets, click on CINEMA.

On the cinema page, scroll down to read additional information, and then click on the title of the movie you want to see. On the movie page, click on the red button that says "Tickets," and follow the prompts. Or click on the links on the right side of the cinema page; on your phone, you may have to scroll down until you see the image with the sneeze guards.

When there's no red ticket button on a movie page, tickets are not available yet.

2) Where do I click to start my order?

Click on the showtime (the example below shows 2:00 PM), highlighted in gray, and follow the prompts.

3) Where's my confirmation?

Make sure you're using a correct email address.

Check your junk mail/spam folder, maybe it ended up there.

If all fails, send an email with the name under which you ordered to

info@arenatheater.org. We will confirm that your name is on the attendees list and resend a confirmation.

All ticket sales are final, sorry, no refunds.
