To Our Fellow Community Members,

***We invite you to join us in supporting the third annual Arena Theater Short Film Festival November 7-9!***

We're incredibly proud of the success this homegrown festival has achieved. Last year, we welcomed nearly sold-out audiences, showcased close to 60 outstanding short films, and hosted more than 15 filmmakers. It was a truly inspiring event, and we're thrilled to carry the momentum forward into our third year.

This year we will again feature **award-winning short films from around the world, across the country, and our own backyard**, and we'll host special receptions and filmmaker Q&As that bring together artists, audiences, and supporters for meaningful conversations and celebrations.

The Arena Theater Short Film Festival is more than an entertainment event—it's a **vibrant cultural experience** that enriches the lives of our southern Mendocino Coast residents, provides valuable exposure for filmmakers, and brings visitors to Point Arena during the quieter post-tourist season, boosting our local economy.

We're reaching out to ask you to consider becoming a sponsor of this exciting event. As a sponsor, you'll help sustain a cherished cultural tradition and enjoy promotional benefits including **recognition in county-wide print and online media** (unless you choose to remain anonymous), as well as **exclusive access to festival screenings and events**. Sponsorship level details are provided on the reverse.

We hope you'll join us in making the third annual Arena Theater Short Film Festival another unforgettable success. Thank you for your time, support, and commitment to our creative community.
